Generate U.S. Sales with JumpStart's Accelerator Program

A Cost-Effective and Rapid Way to Enter the U.S. Market

The JumpStart Sales Accelerator Program offers product and service companies with a new, cost-effective way to enter the U.S. market and generate sales.

Let JumpStart become your virtual, outsourced business development, lead generation and sales team. Working from our New York City headquarters, we will quickly develop a go-to-market strategy to help kick-start your U.S. market presence – everything from partnership creation and channel development to direct b-to-b sales.

The JumpStart Sales Accelerator Program:

- U.S. representation at our Park Avenue offices
- Clearly defined scope of work and goals
- Flexible fee arrangements (retainer + commission)
- Dedicated account team to support your business
- Weekly reporting
- Four-month minimum engagement

Our management team has extensive hands-on experience in building, launching and developing successful business ventures – from more than 30 countries – including start-ups, emerging growth companies and mature enterprises. We've supported companies through the M&A and IPO process as well as guided their Latin American expansion.
